Mayor Chris Cail Issues Emergency Executive Order Regarding COVID-19 Virus

As a result of the current International pandemic, being the COVID-19 virus - and the potential adverse health effects it poses for our citizens and community, I am hereby closing City Hall and the Tell City Electric Dept., to the general public, effective immediately until further notice - at which time:

- City employees will be working and available to answer phone calls and emails.
- All police, fire and emergency services will remain operational. Please check the city Facebook page and local media sources for further and/or updated information.
- Trash pick-up will continue as usual, unless otherwise notified.
- All regularly scheduled city public meetings are cancelled until further notice
- Utility bills may be paid by mail, on-line at www.paygov.us or by calling 1-866-480-8552, or placed in the payment box outside of each utility office respectively (i.e. water/sewer bill payment box is located outside of City Hall). Fees for the online service will be credited on next bill(s) cycle.

Please follow the CDC preventive measures to help control and contain the spread of the COVID-19 virus, which includes limiting gatherings to no more than 50 people, keeping a social distance from others, frequent hand washing and covering sneezes and coughs. For further information go to www.cdc.gov. If you are experiencing an emergency please call 911.

This order will remain in effect until further notice.

Chris Cail

Mayor, City of Tell City
